JEWS CELEBRATE

About 200,000 Attend Services in the Synagogues Throughout the Greater City.

The celebration of the Jewish holiday, Passover, began last evening, and not withstanding the rain the synagogues were crowded. There was not enough room for all who wanted to attend. It was said that during the past year more than 50,000 Jews who came from Russia have made their homes on the east side, and thus made that section of the city in more need of synagogues than others. However, the wealthy Jews on the east side did the best they could, and welcomed as many as they could take care of. It was estimated that more than 200,000 attended the synagogues throughout the

Jacob Newstadt, Republican leader of the Twelfth Assembly District, went to the assistance of many Jews who are in want. He provided for them matzoths, which they will eat during the week instead of bread. Mr. Newstadt was assisted by Samuel S. Keenig, Republican leader of the Six-teenth Assembly District, and his wife.

EASTER VISIT, NOT KIDNAPPING PLOT

Wealthy Mrs. Elbridge Gerry Snow, Jr., Wished to Entertain Brother's Child.

Complaint of an alleged attempt at

klanapping has revealed a peculiar re lationship involving a decidedly humble family of the east side and a wealthy family due across Central Park on the west side. Charles Nosser, a lithographer, of No. 174 East Seventy-sixth stiert, companied to the police that a nexro and an Italian had sought to abduct his son Henry, aged ten, and his daughter Gertrude.

Later is developed that Nosser, who is a very excitable man, was the poor brother of wealthy Mrs. Elbridge Gerty Snow, jr., of West Seventy-second street for five years the brother and siste have lost owen to the brother and siste have lost owen to the Nosser home to ask if little Gertrude might spend the Easter helidays with her aunt. As Mrs. Snow had never made such a request before the mother of the child grew suspicious and refused to let Gertrude go. In the afternoon as the two children were returning from school they passed a crowd of Italian laborers, who were grouped on the pavement, teasing small passers by. From these two circumstance prang the story of an attempted kid-sppt by a negro and an Italian. family due across Central Park on the

An Annual Spring Sale That Breaks All Records.

High Grade Pianos at Greatly Reduced Prices. Special features that characterize this sale and make it an occasion worthy of

the notice of every prospective purchaser looking for a plano of an eminently high character at a much reduced price.

Spring is here. At the various Wissner Warerooms it is general "clearing up" time. This Spring Clearance Sale is usual with the Wissner house, but the advantages to be gained and the values offered were never so great as now.

During the winter large numbers of pianos by various makers come to our warerooms as part payment on WISSNER and LECKERLING PIANOS, and after they have passed through our regular repair department at the Wissner factory they are offered in our Annual Spring Sale at little more than cost of repair. Many of them are by celebrated makers and almost like new.

But what gives Special Prominence and Interest to this year's Sale is the

large number of

included in the list. These include concert used pianos, exhibition pianos, discontinued styles, etc. Certainly the slight-use these pianos have had can be no detriment, for it matters not how much use the WISSNER PIANOS have their tone never changes.

We subjoin a limited number as specimens to be found at our New York and Brooklyn Warerooms.
